WARNING:

CONTAINS 0.5% BORON (B)

Use of this fertilizing material on any crops other than those recommended may result in serious injury to the crop(s).

Read the label before using.

Use protective gloves and masks.

Keep out of reach of children.

Do not consume. In case of accidental ingestion, contact poison control.

Avoid skin and eye contact. In case of accidental contact, rinse the area with plenty of water immediately.

Apply only as directed.

Dispose of empty packages and do not reuse them for other purposes.

COMPANY STATEMENT:

The manufacturer guarantees the quality of the product when used as recommended. Incorrect storage, use and mixture will void the warranty.

STORAGE:

Store in a cool and dry place in original packaging.

Do not expose the product to direct sunlight. If stored correctly, it maintains its physical and chemical state for at least 3 years. Best storage temperature is between 41°F and 95°F.

MIXEL
Packaged Agricultural Minerals That Provides
Boron (B), Copper (Cu), Iron (Fe),
Manganese (Mn), Zinc (Zn)
to Promote Plant Growth
